Mobile Banking Terms and Conditions

TERMS AND CONDITIONS OF YOUR MOBILE BANKING ACCOUNT

Program: Abbott Laboratories Employees Credit Union (ALEC) offers their members mobile access to their account information (e.g., for checking balances and last transactions) over the Short Message Service (SMS), as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user's banking relationship with ALEC as well as providing a mobile phone number. The mobile phone number's verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, members may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the member. This program will be ongoing. Standard messaging charges apply. Members will be allowed to opt out of this program at any time.

Questions: You can contact us at info@alecmail.org or 847.688.8000 or send a text message with the word "HELP" to this number: 87431. We can answer any questions you have about the program.

To Stop the program: To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number:87431. You'll receive a one-time opt-out confirmation text message. After that, you will not receive any future messages.
